

Hi Tony! (Zany Zack)

What a fabulous show you put on for the kids today! You added such fun to Jaxon's party. The kids all had such a wonderful time. We loved your personality -- your sense of humor was contagious and it was great to see the kids laughing and interacting with you during the show. Great magic ... (that egg trick had me mystified!) and so nice of you to make Jaxon feel extra special by having a birthday wish as your magic word, having Jaxon assist you during the show, and by teaching him a special trick at the end. A BIG THANK you for making this day such a BIG HIT for Jaxon and all his friends.

Kind Regards,

Janine and James Mackie
